Gearset **9.3**   Industry average **9.1**

9.6   9

9.4   **9.1**

Ease of use

Gearset is simply the most intuitive deployment tool for Salesforce

Quality of support

Our industry-leading support is free with response times of under 5 mins

Ease of setup

Nothing to install in your org, free 30-day trial, no credit card required

Omnivo Digital:

*"As a Salesforce integration/consulting partner, Gearset has been the **cheapest money we've ever spent**. Compared with change sets, **Gearset is light years beyond** in functionality and efficiency. Compared with ANT, Jenkins or a similar method, Gearset is much more user friendly."*

— Jason Sun, Co-Founder/CRM Architect

McKesson:

*"Gearset is an **essential tool** for our team with **incomparable customer service.** It's super straightforward to use, **always improving**, and has greatly improved the speed of our deployment process."*

— Monica Thornton-Hill, Salesforce Developer
